

## Accessing Positive Activities Funding Guidelines

The table below details what we will be doing to support your promotional activity/project/event and what is expected of you.

<b>What we will be doing</b>	<b>What is required by you to support this project</b>
Administering the grant programme and awarding funding up to £500 for an activity/project/event	Run an activity/project/event that meets the criteria  At least 75% of participants need to be in the 13-19 age range  Provide us with details of the activity/project/event so that this can be listed as an example of good practice on our website.
Laminated individual certificates will be available to be awarded to all young people who take part in your activity/project/event	Name and age of participants
After the activities or events we will be featuring these, including photos and perhaps comments or stories from young people on our website and this will also help to raise the profile of your work with young people	Photos of young people involved in activities together with their permission/appropriate adult permission for their photos to be used.  Some descriptive comments or 'story' on those activities/photos, preferably in the words of the young people themselves.  Comments can be gathered from the young people themselves in an 'evaluation' activity during the event
